### What kinds of webinars does CLEAR provide?

CLEAR Call Webinars are a series of one-hour presentations on topics of current interest to the regulatory community. Topics range from tactics to assess ongoing professional competency to professional discipline resources to testing and exam security issues.

#### Cost

- US\$90
- CLEAR member discounted rate US\$70

### Regulatory Agency Administration Information-Sharing Webinars

Regulatory Agency Administration Information-Sharing Webinars offer the opportunity to gain knowledge about a particular topic and then engage in open dialogue, discussion and networking with the presenters and fellow attendees.

**Cost:** Free!

### Introduction to Regulatory Governance Webinar Series

This five-month series offers each module of CLEAR's foundational Board Member Training program, Introduction to Regulatory Governance, as a one-hour webinar. Ideal as a tool for orienting board and council members to their important role.

#### Cost

- US\$95 or US\$290 for all five modules
- CLEAR member discounted rate: US\$75 or US\$230 for all five modules

### What equipment do I need to participate in CLEAR Webinars?

Offerings are presented through a web-based PowerPoint and audio teleconference, allowing attendees to participate and ask questions from their own office or conference room. Participants will receive login instructions and a link for online viewing of presentation slides and will be provided a toll-free number for audio participation. Using a speakerphone at your location, you can have multiple attendees in one room for one registration fee.

### Can I view previous webinar presentations?

CLEAR maintains an archive of previous webinar offerings for on-demand viewing. The full listing of available sessions and pricing is available at [www.clearhq.org/CLEARLearningOfferings](http://www.clearhq.org/CLEARLearningOfferings).
